

Communication Addendum to the Informed Consent Agreement

Secure and private communication cannot be fully assured utilizing cell/smart phone or regular email technologies. It is the client's right to determine whether communication using non-secure technologies may be permitted and under what circumstances. Use of any non-secure technologies to contact Kim Asher, LPC will be considered to imply consent to return messages to client via the same non-secure technology, pending further clarification from client. Please check below which modes of communication are permitted and which are not permitted. This consent may be altered at any time should circumstances or preferences change. In the event that client chooses not to allow non-secure modes of communication, contact will only be made via wire to wire phone, wire to wire fax, or mail. In this case, communication may not be as timely.
