

Parkinson's Disease Support Group

A FREE GROUP FOR CAREGIVERS
AND FAMILY MEMBERS

4TH WEDNESDAY OF EVERY MONTH | 12-1 PM
6100 Lake Forrest Drive | Suite 450 | Atlanta

Group Begins October 28, 2026

Caring for someone with Parkinson's disease can bring uncertainty, stress, and heartache. Join fellow caregivers and family members each month for open conversation, encouragement, shared experiences, and practical ideas. In this confidential, supportive space, you can ask questions, share challenges, and find connection. You don't have to navigate this journey alone.

For information, contact Ken Sherman:

Ken Sherman
MSW, LCSW

Ken Sherman is a psychotherapist at Atlanta Center for Wellness with over 20 years of experience working with individuals, couples, groups, and families. As a member of the VA Atlanta Geriatric Psych team, he specializes in helping seniors and their families navigate complex transitions. Ken offers knowledge, clarity, and support to those facing cognitive changes, dementia, and related caregiving challenges.

Robin King

Robin King is a retired psychotherapist with over 30 years of experience working with individuals, couples, and groups at the Jewish Family & Career Services (JF&CS) and Jewish HomeLife. She now cares for her husband, who lives with Parkinson's disease.
